MEMBERSHIP AND ASSOCIATION VOTING RIGHTS:

1. "The Association" shall refer to the Tropical Bay Property Owners Association, Inc., its successors and assigns.

2. Every owner of a lot shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of a lot. Each member shall be entitled to one vote for each lot owned. When more than one person holds an interest in a given lot, all such persons shall be members and the vote for such lot shall be exercised as they may determine among themselves. In no event shall more than one vote be cast with respect to any one lot.

3. The declarants hereby covenant for each lot in the subdivision, and each owner of each lot is hereby deemed to covenant, whether or not it shall be so expressed in his deed, to pay to the Association (1) annual assessments; and (2) special assessments as herein defined. The annual and special assessments, together with interest, shall be a charge on the land for each lot against which such an assessment is made. Each such assessment, together with interest, costs and reasonable attorneys fees shall also be the personal obligation of the person or persons who owned the lot at the time the assessment fell due, but such personal obligation shall not pass to the successors in title of such person or persons unless expressly assumed by them.

ANNUAL ASSESSMENTS:

The annual assessments levied by the Association [which shall not exceed \$50 per annum unless approved by a majority of the members] shall be used exclusively to promote the health, safety, welfare and recreation of the residents in the subdivision and for the improvement and maintenance of common areas, and of the subdivision and of the property and canals situated within the subdivision. Annual assessments shall include, and the Association shall acquire and pay for out of funds derived from the annual assessments the following:

- a. Maintenance and repair of the common areas, i.e., storage area, used by the membership.
- b. The mowing of vacant lots and vegetation management of canal banks as may be determined by the Association.
- c. Acquisition of furnishings and equipment necessary to carry out the purposes of the Association as may be determined by the Association.
- d. Liability insurance insuring the Association against any and all liability to the public, to any owner, or to the invitees or tenants of any owner arising out of the activities and functions of the Association.
- e. Workmen's Compensation to comply with applicable law and any other insurance deemed necessary by the Board of Directors of the Association and approved by a majority vote of the membership.
- f. Any other materials, supplies, furniture, labors, services, maintenance, repairs, structural, alterations, insurance, taxes or assessments which the Association is required to secure or pay pursuant to the terms of this Declaration or by law or which shall be necessary or proper in the opinion of the Board of Directors or the Association for the operation of the common areas or for the benefit of the lot owners or for the enforcement of these restrictions.

SPECIAL ASSESSMENTS:

1. In addition to the annual assessment authorized above, the Association may levy in any assessment year a special assessment applicable to that year only for the purpose of defraying in whole or in part the cost of construction, reconstruction, repair, replacement, capital improvements, or fixtures related to the common areas, canals and waterways or the subdivision as a whole or to undertake any activity for the benefit of the subdivision as a whole which is approved by a vote of no less than 51% of the lot owners at that time.

2. Written notice of any meeting called for the purpose of levying an annual or a special assessment shall be sent to all members not less than 15 and no more than 30 days in advance of such meeting. In the event the proposed action is favored by a majority of the votes cast, or in the case of a special assessment more than 51% of the votes cast, but less than the

requisite amount of total ownership of the lots, members who are not present in person or by proxy may give their assent in writing within 30 days after the date of such meeting.

ANNUAL AND SPECIAL ASSESSMENTS

1. Both annual and special assessments must be fixed at a uniform rate for all lots.
2. Any assessment not paid within 90 days after the due date shall be deemed in default. The Association may bring an action at law against the owner personally obligated to pay the same. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the common areas, abandonment of his lot or the defense that he has received no benefits from the assessment so levied.
3. The assessment against any lot shall be subordinate to the lien of any mortgage recorded against the property. The sale or transfer of any lot shall not affect the validity of the assessment, except that a mortgage foreclosure may extinguish the assessment as to assessments which became due subsequent to the date of the issuance of the final judgment of foreclosure and prior to the subsequent transfer. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due. In the event an unpaid assessment is reduced to final judgement that judgment, plus interest at the highest rate allowed by law, along with a reasonable attorneys fee shall be recorded against the property and shall be a continuing charge against the property until paid. Nothing in this section shall limit the association from taking any action to enforce or foreclose a judgment levied against the property pursuant to law.

ENFORCEMENT:

1. The Association, or any owner of record in the subdivision, shall have the right to enforce, by any proceedings at law or equity, all restrictions, conditions, covenants, easements, reservations, assessments and charges now or hereafter imposed by the provisions of this Declaration. Failure by the undersigned, or the Association, or by any owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.
2. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect the other provisions, which shall remain in full force and effect.
3. Covenants and restrictions of this Declaration may be amended in ten year intervals after the date of the recording of this amendment by recording an instrument executed and acknowledged by not less than 51% of each owner of record.
4. The covenants and restrictions of this Declaration shall run with and bind the land and shall inure to the benefit of and be enforceable by the Association or any member thereof from the date hereof forward and shall thereafter continue automatically in effect for an additional period of ten years unless otherwise amended. At the expiration of said ten year period without amendment these covenants shall be automatically extended for successive periods of ten years and shall continue in force and effect.
5. Enforcement of these restrictions shall be by suit in equity or at law which may be maintained by any owner or owners of land in said subdivision or by the Association in said subdivision. In the event said suit shall result in a judgment against the lot owner or owners aforesaid asserted to be violations of said restrictions such record owner or owners shall be required to pay to the party or party's plaintiff a reasonable attorneys fee for the attorney for the plaintiff or plaintiffs in such proceeding including appellant proceedings, together with any and all cost reasonably incurred by such plaintiff owners or Association in such suit.
